S A I N T - T R O P E Z

Kinugawa is a contemporary Izakaya, and invites you to discover a new way of experiencing and living Japanese gastronomy.

Rather than offering individual starters and main courses, the menu offers a choice of dishes that are conceived to be shared and are brought to the table steadily and continuously throughout the meal.

Your maître d'hôtel will be delighted to provide you with explanations and assist you in choosing a custom-made menu.
